

Dr. G. Harvey Anderson is Professor of Nutritional Sciences and Physiology Faculty of Medicine, University of Toronto. He holds a BSc and MSc from the Faculty of Agriculture, University of Alberta and PhD, Nutritional Biochemistry from the University of Illinois and completed postdoctoral studies and the Massachusetts Institute of Technology. He is Director of the University-Industry Program in Food Safety, Nutrition and Regulatory Affairs (PFSNRA) and Director of the Child Centre for Nutrition, Health and Development. He has served the University as Associate Dean, School of Graduate Studies, Dean and Associate Dean, Research, Faculty of Medicine, Chair, Department of Nutritional Sciences and as an elected member of the Governing Council. Dr. Anderson's advocacy for university, industry and government partnerships in developing food and nutrition solutions is shown by his leadership in the formation of the University of Toronto's PFSNRA and as Chair of the Board of the International Life Sciences Institute, Washington, D.C.

Dr. Anderson has held academic appointments at many Chinese universities where he led the development of an academic program in clinical and public health nutrition at Sun Yat-sen University of Medical Sciences, Guangzhou. His research on protein and amino acid metabolism, food selection and intake regulation, diet and behavior, infant nutrition, total parenteral nutrition, and diet and chronic disease (with emphasis on sugars and proteins), has led to over 350 publications and the training of more than 100 M.Sc. and Ph.D. students and postdoctoral fellows. His research has received continuous peer-reviewed grant support since 1970. He is a Fellow of the American Society of Nutrition.
